

C-BED Advisory Task Force Meeting
Wednesday October 24, 2007 (1:00 pm)
Room 123 State Capitol

AGENDA

1.) Discussion consisting of the following topics:

- a.) How is the concept of local benefits (related to C-BED) compatible with utilities achieving the renewable energy standard?
- b.) Why was the original C-BED statute created? Who was supposed to benefit from the original C-BED idea?
- c.) Who has been benefiting from C-BED thus far?
- d.) Who should benefit from C-BED?
- e.) What do we want the statute/definition of C-BED to accomplish?

2.) Other Agenda Items TBD
