

# REGULATED SPECIES

| Category | Common Name                                                                   | Scientific name                                                                                                                     | NR40 Regulated        | NR40 Added | Habitat |
|----------|-------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|-----------------------|------------|---------|
| Plant    | Amur cork tree                                                                | <u><a href="#">Phellodendron amurense</a></u>                                                                                       | Prohibited            | 5/1/2015   | T       |
| Plant    | Amur honeysuckle                                                              | <u><a href="#">Lonicera maackii</a></u>                                                                                             | Prohibited/Restricted | 9/1/2009   | W, T    |
| Plant    | Amur maple                                                                    | <u><a href="#">Acer tataricum subsp. ginnala</a></u>                                                                                | Restricted            | 5/1/2015   | T       |
| Plant    | Anchored water hyacinth                                                       | <u><a href="#">Eichhornia azurea</a></u>                                                                                            | Prohibited            | 5/1/2015   | A, W    |
| Plant    | Aquatic forget-me-not                                                         | <u><a href="#">Myosotis scorpioides</a></u>                                                                                         | Restricted            | 5/1/2015   | W, T    |
| Plant    | Asian loeseneri bittersweet                                                   | <u><a href="#">Celastrus loeseneri</a></u>                                                                                          | Prohibited            | 5/1/2015   | T       |
| Plant    | Asian marshweed                                                               | <u><a href="#">Limnophila sessiliflora</a></u>                                                                                      | Prohibited            | 5/1/2015   | A, W    |
| Plant    | Australian swamp crop or New Zealand pygmyweed                                | <u><a href="#">Crassula helmsii</a></u>                                                                                             | Prohibited            | 9/1/2009   | A       |
| Plant    | Autumn olive                                                                  | <u><a href="#">Elaeagnus umbellata</a></u>                                                                                          | Restricted            | 9/1/2009   | T       |
| Plant    | Balfour's touch-me-not                                                        | <u><a href="#">Impatiens balfourii</a></u>                                                                                          | Restricted            | 5/1/2015   | W, T    |
| Plant    | Bell's or showy bush honeysuckle                                              | <u><a href="#">Lonicera x bella</a></u>                                                                                             | Restricted            | 9/1/2009   | W, T    |
| Plant    | Bishop's goutweed                                                             | <u><a href="#">Aegopodium podagraria</a></u>                                                                                        | Restricted            | 5/1/2015   | T       |
| Plant    | Black (European) alder                                                        | <u><a href="#">Alnus glutinosa</a></u>                                                                                              | Restricted            | 5/1/2015   | T       |
| Plant    | Black knapweed                                                                | <u><a href="#">Centaurea nigra</a></u>                                                                                              | Restricted            | 5/1/2015   | T       |
| Plant    | Black locust                                                                  | <u><a href="#">Robinia pseudoacacia</a></u>                                                                                         | Restricted            | 5/1/2015   | T       |
| Plant    | Black or Louise's swallow-wort                                                | <u><a href="#">Vincetoxicum nigrum</a></u> or <u><a href="#">Cynanchum louiseae</a></u>                                             | Prohibited/Restricted | 9/1/2009   | T       |
| Plant    | Bohemian knotweed                                                             | <u><a href="#">Fallopia x bohemicum</a></u> or <u><a href="#">F. x bohémica</a></u> or <u><a href="#">Polygonum x bohemicum</a></u> | Prohibited            | 5/1/2015   | W, T    |
| Plant    | Brittle naiad, or lesser, bushy, slender, spiny or minor naiad or water nymph | <u><a href="#">Najas minor</a></u>                                                                                                  | Prohibited            | 9/1/2009   | A       |
| Plant    | Brown knapweed                                                                | <u><a href="#">Centaurea jacea</a></u>                                                                                              | Restricted            | 5/1/2015   | T       |
| Plant    | Burning bush                                                                  | <u><a href="#">Euonymus alatus</a></u>                                                                                              | Restricted            | 5/1/2015   | T       |
| Plant    | Butterfly dock                                                                | <u><a href="#">Petasites hybridus</a></u>                                                                                           | Prohibited            | 5/1/2015   | W, T    |
| Plant    | Canada thistle                                                                | <u><a href="#">Cirsium arvense</a></u>                                                                                              | Restricted            | 9/1/2009   | W, T    |
| Plant    | Celandine                                                                     | <u><a href="#">Chelidonium majus</a></u>                                                                                            | Restricted            | 9/1/2009   | T       |
| Plant    | Chinese wisteria                                                              | <u><a href="#">Wisteria sinensis</a></u>                                                                                            | Prohibited            | 5/1/2015   | T       |
| Plant    | Chinese yam                                                                   | <u><a href="#">Dioscorea batatas</a></u> or <u><a href="#">D. polystacha</a></u>                                                    | Prohibited            | 5/1/2015   | W, T    |
| Plant    | Colt's foot                                                                   | <u><a href="#">Tussilago farfara</a></u>                                                                                            | Prohibited            | 5/1/2015   | W, T    |
| Plant    | Common barberry                                                               | <u><a href="#">Berberis vulgaris</a></u>                                                                                            | Prohibited            | 5/1/2015   | T       |
| Plant    | Common buckthorn                                                              | <u><a href="#">Rhamnus cathartica</a></u>                                                                                           | Restricted            | 9/1/2009   | W, T    |
| Plant    | Common teasel                                                                 | <u><a href="#">Dipsacus sylvestris</a></u> or <u><a href="#">D. fullonum</a></u>                                                    | Restricted            | 9/1/2009   | W, T    |
| Plant    | Creeping bellflower                                                           | <u><a href="#">Campanula rapunculoides</a></u>                                                                                      | Restricted            | 9/1/2009   | T       |

|       |                                               |                                                                                                |                       |          |      |
|-------|-----------------------------------------------|------------------------------------------------------------------------------------------------|-----------------------|----------|------|
| Plant | Crown vetch                                   | <u><a href="#">Coronilla varia</a></u>                                                         | Restricted            | 5/1/2015 | T    |
| Plant | Curly-leaf pondweed                           | <u><a href="#">Potamogeton crispus</a></u>                                                     | Restricted            | 9/1/2009 | A    |
| Plant | Cut-leaved teasel                             | <u><a href="#">Dipsacus laciniatus</a></u>                                                     | Restricted            | 9/1/2009 | W, T |
| Plant | Cypress spurge                                | <u><a href="#">Euphorbia cyparissias</a></u>                                                   | Restricted            | 9/1/2009 | T    |
| Plant | Dalmatian toadflax                            | <u><a href="#">Linaria dalmatica</a></u>                                                       | Prohibited/Restricted | 5/1/2015 | T    |
| Plant | Dame's rocket                                 | <u><a href="#">Hesperis matronalis</a></u>                                                     | Restricted            | 9/1/2009 | W, T |
| Plant | Diffuse knapweed                              | <u><a href="#">Centaurea diffusa</a></u>                                                       | Prohibited            | 5/1/2015 | T    |
| Plant | Ducklettuce                                   | <u><a href="#">Ottelia alismoides</a></u>                                                      | Prohibited            | 5/1/2015 | A    |
| Plant | Egeria                                        | <u><a href="#">Egeria densa</a></u>                                                            | Prohibited            | 9/1/2009 | A    |
| Plant | Eurasian watermilfoil                         | <u><a href="#">Myriophyllum spicatum</a></u>                                                   | Restricted            | 9/1/2009 | A    |
