Approval of Minutes

Minutes from November, 2010 meeting were approved.

Discussion of Recommendation

The task force discussed the recommendation to continue a task force after the sunset of the current task force on July 1, 2011 and decided that it would be included in the report due on January 15, 2011. Also discussed was potential legislation that would allow a task force to be continued after July 1, 2011.

January Report

The task force members agreed that the report due to the legislature on January 15th will be an update of their progress over the past year. Included in the report will be a list of all presenters from January 2010-January 2011, a recommendation to continue a taskforce after the sunset of the current task force, and the work plan that the task force has been following. The report will be approved at the January 11, 2011 meeting and sent to the legislature.
