

Legislative Electric Energy Task Force

Thursday, June 9, 2005

10:00am

Room 318 State Capitol

Agenda:

- I. Approval of the February 14, 2005, LEETF meeting minutes;
- II. Approval of participants appointed to the stakeholder and landowner payment working groups as required in Laws of 2005, Chapter 97 (Senate File 1368).
 1. Stakeholder working group to recommend changes to the certification and routing processes for high voltage transmission lines;
 2. Landowner payments working group to research alternative methods of remunerating landowners on whose land high voltage transmission lines have been constructed.
