## **Meeting Minutes**

Sen. Wiklund called the meeting of the Legislative Coordinating Commission on Cybersecurity to order at 10:35 AM. A quorum was present.

### **Minutes Approval**

Representative Bahner moved to approve the minutes of the August 27<sup>th</sup>, 2025, meeting. A vote was taken. The motion prevailed and the minutes were approved.

### **Discussion**

Members shared their priorities and perspectives related to the 2026 legislative session, highlighting the recent Saint Paul cyberattack incident, data practices, artificial intelligence, and considerations around extending the term of the Cybersecurity Commission.

### **Presentation**

Tarek Tomes, Commissioner and Chief Information Officer of MNIT, and John Israel, MNIT Chief Information Security Officer, presented data related to Minnesota's cybersecurity plan and updates.

### **Next Steps and Adjourn**

Sen. Wiklund discussed next steps, including scheduling additional meetings prior to session and identifying topics for future discussion.

There being no further business, the meeting adjourned at 11:56 AM.
