

MARY PATTOCK RECOMMENDATION ON VISION

Recommendation: The Met Council should adopt a vision that prioritizes quality of life

The Met Council's vision: A metro area in which residents enjoy a high quality of life, businesses thrive, and the environment is protected for the good of present and future generations.

Mission: To achieve this vision, the Met Council will collaborate and cooperate to foster a strong, resilient and sustainable economy, excellent public services, fairness and equity, and responsible environmental stewardship.
