 - a. In its role as the Director's supervisor, require Dr. Porter to work from his home, or from space in the Capitol Complex, so that he is not present in the Council's offices during work hours. This work arrangement will continue until any changes are authorized in writing by the Council chair.
 - b. Recommend to the Legislative Coordinating Commission that the Commission end the appointment of Dr. Porter as the Council's director for reasons including, but not limited to:

 2. Failure to represent the Council and its legislative priorities to the governor and the legislature.
